Flange Mounted

**1.0 - 20 HP**

BOREWEL  
COMPRESSOR

**1.0 - 20 HP**

AIR COMPRESSOR

### SPECIAL FEATURES

- Double end Shaft Extension
- | Brake Motors | Dual Voltage
- | Vibrator Motor | Foot cum Flange Type
- | Shaft Extensions with nut for special application
- | Double end Flange | Cooling Tower Motor | V/F Drive Application
- | Placing Thermistor and thermal over load protector in the stator winding
- | Motors can be designed for 48V, 220V, 380V (50Hz, 60Hz) for three phase motor and 110V, 220V (50Hz, 60Hz) for single phase motor

**0.25 / 0.5 / 1.0 HP**
